ITRC 2024 Annual Meeting: Leveraging Artificial Intelligence & Machine Learning for a Sustainable Environment

April 8-11, 2024 | Long Beach, CA

Dear Potential Supporter,

We are excited to have you join us as we convene the ITRC community and partners in Long Beach, California for the 2024 ITRC Annual Meeting on April 8-11 at the Hyatt Long Beach Hotel. ITRC's meetings attract a [diverse group of environmental leaders and professionals](#) from state and local government agencies, federal agencies including the U.S. Environmental Protection Agency, Department of Defense, and Department of Energy, private industry, academia, and public stakeholders.

Each year ITRC brings together our [technical project teams](#) to work on solutions to some of the top environmental challenges nationwide. In addition to our eight current teams meeting throughout the week, a morning plenary breakfast and session on April 10 will explore the application of artificial intelligence and machine learning in the environmental industry and feature speakers from the U.S. federal government and academia. We'll also have informal meetings and networking events planned throughout the week including meetings for our [Industry Affiliates](#) and [Early Career](#) programs.

Sponsorship opportunities for the 2024 Annual Meeting are available and listed below. To discuss these opportunities or other ways to support the event, please contact me at (202) 266-4939 or creyes@ecos.org.

- **Bronze Sponsor (\$1,000):** one free meeting registration; signage at sponsored break(s); recognition on the meeting program, ITRC website, and announcements leading up to the event; and space to display materials (exhibit, poster, banner).
- **Silver Sponsor (\$2,500):** two free meeting registrations; remarks during the Reception Award Ceremony; signage at reception; recognition on the meeting program, ITRC website, and announcements leading up to the event; space to display materials (exhibit, poster, banner).
- **Gold Sponsor (\$5,000):** two free meeting registrations; remarks during the Plenary Breakfast; signage at the breakfast; recognition on the meeting program, ITRC website, and announcements leading up to the event; space to display materials (exhibit, poster, banner).

We look forward to seeing you this April in Long Beach!

Sincerely,

Charles Reyes, ITRC Director
